work experience

Modulor LLC
Freelance Designer
04/2011—07/2011

Worked as a freelance designer collaborating on identities, packaging, websites and collateral for the Heavy Restaurant Group. Responsibilities included conceptualizing stationery packages and business cards for the various brands under the Heavy umbrella, as well as creating packaging designs for Purple, Barrio, and Lot No. 3.

Hunt Marketing Group
Freelance Designer
02/2011—04/2011

Worked as a freelance designer on various projects for the University of Washington as well as Safeco Insurance. Responsibilities included designing and coding flash banners as well as creating unifying web pages and developing content hierarchy directly from wireframes.

4th Avenue Media
Graphic Designer
06/2009—11/2010

Created visually impactful designs, including websites, logos, stationery and brochures. Responsibilities include information architecture of current websites, interacting with clients on a regular basis to manage deadlines as well as collaboration with a design team in order to exceed client expectations with our presented designs.

NBBJ
Freelance Designer
06/2010—07/2010

Worked as a freelance designer creating a book for the VA Hospital in Louisiana. Responsibilities included coordinating with designers and architects in both the Seattle and Columbus offices to acquire necessary content as well as developing an overall hierarchy and infographics for the book to highlight the impact that the VA Hospital will have in the area.

Inglewood Golf Club
Proshop Assistant
08/2002—present

Interact with over 75 members daily both in person and over the phone. Responsibilities include opening or closing the pro shop, balancing the till at the end of the night, acting as a starter on the first tee and supervising a bag room staff of up to five employees at a time, ensuring that they take care of member needs as well as perform daily duties to make sure that the proshop runs smoothly and functions at its best.
